

Little Cypress - Mauriceville Band Boosters

Greetings from Little Cypress Mauriceville Band Boosters! The Little Cypress Mauriceville Band Boosters Association is a registered non-profit 501(c) (3) organization dedicated to the promotion of band student excellence. Our organization helps raise money to supply our band with equipment, music, purchase and repair instruments, fund special instructors and clinicians, assist with travel expense for music competitions and special events for the Little Cypress Mauriceville High School Band.

Our Band Mission statement is to provide students a high quality music education, promote a high standard of excellence, and enhance the lives of band members by fostering an environment that develops confidence, responsibility, leadership, cooperation, and character. The LCM Band program strives to provide students with the opportunity for a positive life-changing experience based on dedication, teamwork, and accomplishment.

Last year our band program had an outstanding year with 9 students selected for All Region Jazz Band, 6 students selected for Area Jazz Band, 24 students were selected for All Region Band, 6 students were selected for Area Competition, 1 student was selected for Area Jazz Band, and 1 of our students was selected for the TMEA All-State Band. Our Marching Band, Symphonic Band, Wind Ensemble, along with our Jazz Band all found success with Superior Ratings in our UIL Contest, as well as the McNeese Gulf Coast Marching Band Championship. Our students also found success individually, earning 126 Solo Superior Medals at UIL contest. We had a great number of our Ensembles, Trios, Quartets, Quintets, and Sextets advance on to State Competition.

We would like to partner with you for our upcoming 2018 - 2019 Marching Band Season, to ensure that we can have the best music program for all of our students from Elementary School level up to our High School Band. Please review the Sponsorship form and consider how you can help us continue to excel and make a difference in the lives of our youth.

Little Cypress Mauriceville Band has had a long history of excellence and we are looking forward to continuing that tradition this upcoming year. We are looking forward to working with you!

“Thank You” in advance for your support!
