**President**

Greetings from Little Cypress Mauriceville Band Boosters!

The Little Cypress Mauriceville Band Boosters Association is a registered non-profit 501(c) organization (Tax #76-0325022) that is dedicated to the promotion of high school excellence!

**The Band Boosters raise money to supply our students with equipment, music, purchase and repair instruments, fund special instructors and clinicians, assist with travel expense for music competitions and special events.** These opportunities provide students with a positive life-changing experience based on dedication, teamwork, and accomplishment that is evident in our program's successes over the years.

To continue providing the band program with the students' needs, we are seeking assistance from you and your business and would like to partner with you for our upcoming 2023-2024 Band Season!

Please review the enclosed Sponsorship Form and consider how you can help us continue to excel and make a difference in the lives of our youth. You may purchase your sponsorship by enclosing a check payable to the LCM Band or by going to our website, [lcm-bands.com](http://lcm-bands.com), and clicking on the Band Booster & Sponsor tab at the top and go to the "Sponsorships" page and make your selection.

Little Cypress Mauriceville Band has had a long history of excellence and we are looking forward to continuing that tradition this upcoming year. We are looking forward to partnering with you!

We appreciate your support and consideration!

Scott McDonald
