♪ Invitation for Sponsorship ♪

Dear Future LCM Band Sponsor:

Last year was an outstanding year for the LCM Battlin' Bear Band. The marching band was a participant in the UIL State Marching Contest San Antonio. The band placed 11th out of all 4A Bands in the State of Texas.

In addition, the bands at each of our schools in the District, LCM High School, Little Cypress Junior High, and Mauriceville Middle School, earned Sweepstakes Rankings at UIL Concert and Sight-Reading Competition. After this phenomenal year, more students are enrolling in this successful band program!

The reality of this growth means more uniforms and instruments are needed to meet the needs of these students and continue to the success of the band program. Competition entrance fees and travel to away games, marching contests, etc., often use a major portion of the funds provided by the district. Many students purchase their own personal instruments. However, some larger instruments are provided through the band program. One of the Band Boosters' major goals is to purchase new instruments and maintain our existing ones.

Currently, students are getting ready to start practicing while volunteers are busy building props and working out details to highlight another great marching performance. To make our show and program reach its full potential, we need your help! Our local sponsors are critical to our success.

Please become part of the 2017-2018 Battlin' Bear Band Family. Choose from one of these sponsorships and, in return, we will advertise your business.

Thank you,
LCM Battlin' Bear Band Boosters
