

Little Cypress - Mauriceville Band Boosters

**Moira Layman
President**

Greetings from Little Cypress Mauriceville Band Boosters!

The Little Cypress Mauriceville Band Boosters Association is a registered non-profit 501(c) organization (Tax #76-0325022) that is dedicated to the promotion of band student excellence. Our organization helps raise money to supply our band with equipment, music, purchase and repair instruments, fund special instructors and clinicians, assist with travel expense for music competitions and special events for the Little Cypress Mauriceville High School Band. We are excited for this upcoming season as it is a State Marching Contest year.

Our Band Mission statement is to provide students a high quality music education, promote a high standard of excellence, and enhance the lives of band members by fostering an environment that develops confidence, responsibility, leadership, cooperation, and character. The LCM Band program strives to provide students with the opportunity for a positive life-changing experience based on dedication, teamwork, and accomplishment.

This past year, with the help of our sponsors, our band program had an outstanding year! There were 8 students selected for All Region Jazz Band, 2 students selected for Area Jazz Band, 22 students were selected for All Region Band, 3 students were selected for Area Competition, 1 student was selected for the TMEA All-State Band. Competing in the Association for Small Bands, 15 students were selecting for All Region Band and 3 students were selected for Area Competition. Our students also found success individually; many earned Solo Superior Medals at UIL contest. The Marching Band competed in the fall and earned Superior rating in the District competition. Due to the shortened school year because of the pandemic, the Band did not compete in the Concert Band competition where we usually earn Superior ratings because of the hard work put in by our directors and each student.

We would like to partner with you for our upcoming 2020-2021 Marching Band Season, to ensure that we can have the best music program for all of the students from Middle School level up to our High School Band. Please review the Sponsorship form and consider how you can help us continue to excel and make a difference in the lives of our youth.

Little Cypress Mauriceville Band has had a long history of excellence and we are looking forward to continuing that tradition this upcoming year. We are looking forward to working with you!

“Thank You” in advance for your support!
